Openings in Teaching:

Established in 1987, Pramukhswami Medical College (PSMC) is a premier institution known in

western India amongst the medical fraternity for its innovative approach to teaching and for integrating non-scholastic education and values to its integral medical curriculum.

PSMC lays tremendous emphasis on teaching and learning processes and has implemented horizontal and vertical integration in teaching. MCI has designated PSMC as a Regional Center for National Faculty Development Program for 44 medical colleges in Gujarat, M.P and Rajasthan . It is a matter of pride for the institute that more than 1500 medical faculty have been trained by our expert faculty.

We are fortunate to have amongst us like-minded professionals who have either found the nurturing academic environment or the enriching clinical workload as a sufficient challenge to park themselves here.

Those subscribing to this vision and aspiring to be a part of this journey, are welcome to send their latest profiles .
